Join the Jon Witzel Team:

Finish Carpenter

Jon Witzel Contracting Ltd. is a continually growing company with a solid reputation in the building industry. We offer competitive compensation and benefits and potential for job growth. Our dynamic team environment is made up of individuals who are dedicated to their craft and take each project seriously. We value our clients and develop lasting relationships founded on trust, reliability, and excellence. If you share our strong work ethic and values and have in-depth experience as a Finish Carpenter, we would love to hear from you.

Job Description

Jon Witzel Contracting is looking for an experienced Finish Carpenter for our residential and commercial sectors. This role requires a competent individual with excellent craftsmanship & attention to detail for the completion of interior & exterior finishes for residential and commercial projects such as custom homes, renovations, additions, offices and tenant outfits.

Responsibilities

- Perform construction duties as per project scope of work with an extreme level of detail including: framing, insulation, drywall boarding & mudding/taping/sanding, trim, paint, millwork, flooring, and interior & exterior cladding
- Ability to complete renovation projects from start to finish, working independently or collaboratively with a crew (*based on size of project*) to ensure the job is completed
- Ability to complete residential custom homes from drywall stage to closing stage, including managing sub-trades labour and coordination
- Ability to read and fully understand design drawings, blueprints and material specifica ons
- Ability to manage sub-contractors on-site during rough-ins and finishing stages
- Place a high priority on health & safety practices; familiar with provincial standards and responsible for enforcing safety standards onsite to own crew and sub-contractors
- Communicate in a proper manner with homeowners, colleagues, subtrades, interior designers and project coordinators
- Report daily to Project Manager

Skills & Assets

- Very detail-oriented in all aspects of finish carpentry
- Motivated, dedicated, and have a strong work ethic to complete projects in a timely and efficient manner
- Strong interpersonal and communication skills
- Excellent organizational skills, with the ability to prioritize multiple tasks
- Punctual; great time management skills
- Ability to work independently and collaboratively as a team
- Eager, willing to take initiative and lead by example
- A proven ability to problem solve and find solutions efficiently & effectively
- Able to give and receive feedback in order to improve work quality and advance skillset
- Takes pride & responsibility in the quality of your work as well as your crew
- Must have valid Ontario driver's license and provide own daily transportation to shop
