Join the Jon Witzel Team:

General Labourer

Job Description

As a General Labourer, you will work under the direction of our skilled lead carpenters to complete all tasks associated with our residential, commercial and agricultural projects. For 2nd and 3rd Term Apprentices, there is also the opportunity to work as a Crew Leader on various projects. Apprenticeship opportunities available.

Responsibilities

- Ability to accurately read and interpret blueprint drawings
- Structural wood and steel framing
- Exterior finishing, including siding, window and door installation
- Interior finishing, including insulation, floors, drywall, trim and millwork
- Perform both carpentry and labour tasks
- Assist with excavation and concrete

Skills & Assets

- Punctual; good time management skills
- Diligent and detail-oriented
- Motivated, dedicated
- Ability to work collaboratively, as a team
- Ability to communicate effectively with others
- Eager, willing to take initiative
- Ability to problem solve and find solutions
- Able to give and receive feedback in order to improve work quality and advance skills
- Experience is an asset, but we are willing to train those who are motivated to work hard and learn
- Valid driver's license or transportation to shop

Jon Witzel Contracting is a continually growing company with a solid reputation in the building industry. We offer competitive compensation and benefits and potential for job growth. Our dynamic team environment is made up of individuals who are dedicated to their craft and take each project seriously. We value our clients and develop lasting relationships founded on trust, reliability, and excellence. If you share our strong work ethic and values and have either construction experience or just an ability to learn, we would like to hear from you.
