

Join the Jon Witzel Team:

Estimator

Job Description

Jon Witzel Contracting is looking for an experienced Estimator for our residential and commercial sectors. In this position, you will compose detailed estimates and budgets for the specified project, working both independently and collaboratively in a small team.

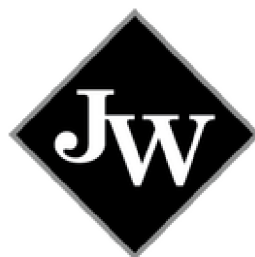

Responsibilities

- Ability to review and understand design drawings, blueprints and project scope of work
- Complete detailed quantity take-offs of materials specified
- Distribute detailed scope of work and drawings for bids to required subcontractors and suppliers
- Prepare detailed cost proposal for entire project by compiling quantity take offs, subcontractor bids, and labour.
- Compare and verify consistencies of all material costing and subcontractor bids
- Compose detailed written proposal estimates for client submission
- Create and update job and data reports

Skills & Assets

- Knowledgeable in the construction sector required
- Motivated, dedicated, strong work ethic
- Very detail-oriented
- Strong ability to work collaboratively, as a team
- Knowledgeable of building code, construction techniques, and building sciences
- Knowledgeable in Microsoft Office, Auto CAD and Bluebeam an asset
- Strong interpersonal and communication skills
- Strong written skills
- Strong organizational skills, with the ability to prioritise multiple tasks

Jon Witzel Contracting is a continually growing company with a solid reputation in the building industry. We offer competitive compensation and benefits and potential for job growth. Our dynamic team environment is made up of individuals who are dedicated to their craft and take each project seriously. We value our clients and develop lasting relationships founded on trust, reliability, and excellence. If you share our strong work ethic and values and have either construction experience or just an ability to learn, we would like to hear from you.
