Join the Jon Witzel Team:

Experienced Carpenter

Job Description

Jon Witzel Contracting is looking for an experienced carpenter for our residential, agricultural and commercial sectors. This role requires detailed craftsmanship of all interior and exterior finishes, putting the final touches on the residential, commercial and agricultural projects, including completion of custom homes, renovations, additions, offices, barns, drive sheds and tenant outfits.

Responsibilities

- Perform construction duties as per project scope, including: demolition, framing, drywall, millwork, trim and flooring with an extreme level of detail
- Ability to work independently or collaboratively with a crew (based on size of project) to ensure the job is completed from start to finish
- Ability to read and understand design drawings, blueprints and material specifications
- Place a high priority on safety; be familiar with provincial standards; be responsible for enforcing safety standards onsite
- Communicate with homeowners, colleagues, subtrades and Report daily to Project Manager

Skills & Assets

- Very detail-oriented
- Motivated, dedicated, strong work ethic
- Strong interpersonal and communication skills
- Strong organizational skills, with the ability to prioritize multiple tasks
- Punctual; good time management skills
- Ability to work independently and collaboratively, as a team
- Eager, willing to take initiative
- Ability to problem solve and find solutions
- Able to give and receive feedback to improve work quality and advance skills
- Takes pride in the quality of their work and crew
- Valid driver's license or transportation to shop

Jon Witzel Contracting is a continually growing company with a solid reputation in the building industry. We offer competitive compensation and benefits and potential for job growth. Our dynamic team environment is made up of individuals who are dedicated to their craft and take each project seriously. We value our clients and develop lasting relationships founded on trust, reliability, and excellence. If you share our strong work ethic and values and have either construction experience or just an ability to learn, we would like to hear from you.
