Experienced Painter

Job Description

Jon Witzel Contracting is looking for an experienced painter for our residential and commercial sectors. This role requires detailed craftsmanship of interior finishes, putting the final touches on residential and commercial projects, including completion of custom homes, renovations, additions, offices and tenant outfits.

Responsibilities

- Perform general painting duties as per project scope with an extreme level of detail
- Strong skills in spraying, cutting in and rolling – efficient and accurate
- Able to prep surfaces properly including completing caulking, filling and sanding of all substrates
- General understanding of product knowledge and application
- Painting experience required
- Staining experience an asset – of handrails, staircase treads & risers, interior & exterior beams and tongue & groove
- Able to keep a clean work area
- Understand Health and Safety policies and procedures
- Communicate with homeowners, colleagues, subtrades and report daily to project manager

Skills & Assets

- Very detail-oriented
- Motivated, dedicated, strong work ethic
- Strong organizational skills, with the ability to prioritize multiple tasks
- Punctual, good time management skills
- Ability to work independently and collaboratively, as a team
- Eager, willing to take initiative
- Ability to problem solve and find solutions
- Able to give and receive feedback to improve work quality and advance skills
- Takes pride in the quality of their work and crew
- Valid driver's license or transportation to shop

Please submit all resumes to jon@jonwitzel.com
